

D.A.T.A.

Dometic – Advanced – Training - Academy

Registration Form

Our two-day program will focus on the operation, common issues and accurate diagnosis of a wide range of Dometic/Atwood products. This will include expanded hands-on training, technical discussions and troubleshooting in a modularized format allowing you to choose which products/modules you register for. The program will include the following options:

- Air Conditioners
- Refrigeration
- Furnaces
- Water Heaters

Technicians will receive hours towards RVIA certification based off which modules they attend.

This program is designed to educate seasoned and new RV technicians on troubleshooting and repairing Dometic/Atwood products efficiently. The program will also inform technicians of new technology and products as well as common issues experienced in the field. A general base knowledge of basic electricity and also testing equipment is recommended but not required.

Pricing listed is per person per module. Each module is limited to 20 participants and spaces are first come first serve.

- Lunches are not included and are the attendee’s responsibility.

A confirmation including location information and schedule of events will be provided approximately 2 weeks prior to class.

Dealership Name: _____ Dealer Number: _____
